Letter no LND1. SR. Ban 315/60-61 dated 6th December 1962 from the Divisional Conr Bangalore on re: Shifting of the Forest demarcation line in Karadikal Forest in Sno 44 of Belaginakuppe Village — Ramanagara Taluk Bangalore Rural Dist

1 Sri Yuts B. Madaiah and Pulte Gowda were granted land as 4 acres and 8 acres respectively out of Sno 44 of Belaginakuppe Village Ramanagara Taluk in the year 1951.

2 During pucca phodi it was noticed by the authorities of the Survey Dept that block II and III fall within the Forest "D" line which was subsequently shifted. The Dy Conr Bangalore Dt has in his letter dated 21.9.1962 stated the old forest "D" line was somewhere to the north of the blocks II and III and due to the subsequent shifting of the D line, the pucca phodi work has been held up and has requested to address the C.C.F to release the area already granted to enable the completion of pucca phodi work.

3 The Chief Conservator of Forests who was consulted in the matter has opined that it has ~~already~~ already been clarified to the Revenue authorities during 1959 that the "D" line has not been

Bangalore, dated 6th December 1962.

To

The Secretary to Government,

Sub:.Shifting of the Forest Demarcation line in Karadikal state forest in S.No.44 of Beleginakuppe village,Kanakapura taluk.

In enclosing herewith a copy of letter No.LND.1400/60-61 dated 21st September 1960 together with the connected records received from the Deputy Commissioner,Bangalore district on the above subject, I write to state that the Deputy Commissioner Bangalore had requested to address the Chief Conservator of Forest for the release of land already granted and confirmed, out of S.No.44 of Bilaginakupe village,Kanakapura taluk on the ground thay the sale already held and confirmed cannot be cancelled at this distance of time as the parties are in possession of the land since 1951-52 and that the forest 'D' line has been shifted subsequent to the disposal of the land in public auction,etc.,

The Chief Conservator of Forests who was consulted in the matter has opined that it has already been clarified to the Revenue authorities during 1959 that the 'D' line has not been shifted, that the blocks under reference are well within the forest boundary and disafforestation of these blocks result in awkward boundaries of the forest and that he is not in favour of releasing these lands, that necessary action may be taken to cancel the grant which are sanctioned without consultation of that Department.

In the above circumstances I request orders of Government in the matter.

For Divisional Commissioner,

Sub: Shifting of the Forest Demarkation line of Karadikal State Forest in S.No.44 of Bilaganakuppe Kankanpur taluk.

I write to enclose herewith the connected file of records ending with the Tahsildar's report No.S.R.J.695/60-61 dated 21-8-60 on the subject of completion of Pukka phodi of land grants made in the said S.No. and to state that the Surveyor's sketch on page 44 of the file indicates that the Forest 'D' line has been shifted subsequent to the disposal of the lands in public auction. It is also seen that the old forest 'D' line was some where to the North of the Blocks II and III marked in the sketch and due to the subsequent shifting of the 'D' line the Pukka phodi and Durasthi work is held up. The sale already held and confirmed cannot also be cancelled at this distance of time as the parties are in possession since 1951-52. I therefore request that C.C.F. may kindly be addressed to release the area already granted to facilitate the completion of pukka phodi work.

Connected records accompany.

Ref: Your letter No. LND I SR BAN 315 dated 3-10-1960.

It is reported that the Range Forest Officer has shown that Demarcation line of the State Forest to the Revenue authorities during 1959 and clarified them that the "D" line has not been shifted. Hence the contention of the Revenue Department that the "D" line has been shifted from its original position is not correct. Further the blocks under reference are well within the State Forest boundary and disforestment of these blocks results in awkward boundaries of the forest. In the circumstances I am not in favour of releasing these areas. Necessary action may kindly be taken to cancel the grant which are sanctioned without consultation of the Department.

The connected records are returned herewith.
